All games are played on defined lanes, the lines defining each lane are considered as "dead ball lines", therefore if the jack or a boule crosses a line defining a lane it is considered dead (out of play).

The time limit for each game will be:

- Triples: 75 minutes
- Doubles: 60 minutes
- Singles: 45 minutes

In each format at the end of the time limit the current end should be completed plus two more ends.

- 6.3 In the case of equal scores after the two additional ends, the teams will play one “extra” end. During this extra end, the jack cannot become dead (out of play). If the jack goes out of the defined playing area it will be put back in its original marked position.
Teams will be notified when the time limit has expired.
- 6.4 A lunch break may be taken at the discretion of the umpire and the organiser. In this case, the umpire will blow a whistle to start the break, which will last for approximately 30 minutes.
The end in progress must be completed, and no players are allowed on the terrain during this break. The umpire will blow a whistle to indicate the re-start of play.
- 6.5 If the competition is disrupted by teams or players being absent on the day or leaving before completing all their games, the individuals concerned will be reported by the umpire or organiser to the PE Events Group, and may be refused entry to future PE events.
