

Sport:80 for Pétanque England

Project update

Paul Leverett - 10 September 2022

Agenda

- Recap: why are we changing to Sport:80?
- Progress to date
- Next steps
- Future work
- Example screenshots
- Questions

Recap: Why the change?

LoveAdmin did not deliver their promised new platform

- Their focus is on small dance classes, gym clubs etc
- Ongoing issues with PayPal and very onerous to manage finances etc
- Difficult to add membership options

Sport:80 are focussed on NGBs, not small clubs

- They understand **big organisations** with regional structures
- They are familiar with **governance** requirements of UK NGBs
- They offer a **partnership** approach
- The new platform can help us grow; it supports multiple membership types, discounts etc.

Recap: Why the change?

SPORT:80 benefits

- Ease of use
- Website integrations - data-driven, so always up to date
- Improved event management
- Improved financial management (automatic payment of precepts to Regions)
- Governance & compliance
- Fully-featured email system for e-Newsletters
- Affiliated clubs can use the system for member details at no extra cost

Progress to date

What have we done?

Project Team: Paul, Cary, David

- Pre-sales discussions *November 2021-May 2022*
- Presentation to Board *April 2022*
- Contract signed *June 2022*
- On-boarding process started *June 2022*
 - 14 meetings with Sport:80
 - Define requirements, test, review, refine
 - 63 test feedback comments raised by Paul
 - 10 test users added and briefed, but little feedback (other than Mike Pegg)

What next?

Continuing the on-boarding process

- Ongoing twice-weekly meetings
- Migrate data from LoveAdmin to S80 test platform and check integrity
- Agree “Go Live” date (expected by end October)

At Go Live:

- Prevent new signups on LoveAdmin - redirect to Sport:80
- Update website to direct users to Sport:80 for membership
- Add Sport:80 web widgets - Club Finder, Umpires, Clubs
- Train Regional Administrators

After Go-Live

What will users be able to do?

- New members can register directly on the new platform from Go-Live
(Membership will be to end March 2024)
- Existing members will get a renewal email
 - **They will need to set a new password**
 - Their membership number will be the same as before
 - Their region and club will be the same as before
 - They can pay by credit or debit card, and optionally set up auto renewal
 - They cannot pay by PayPal or bank direct debit
- New clubs can register online
(Get Admin approval via an automated email process)
- Existing clubs can renew online

Future work

Over the winter....

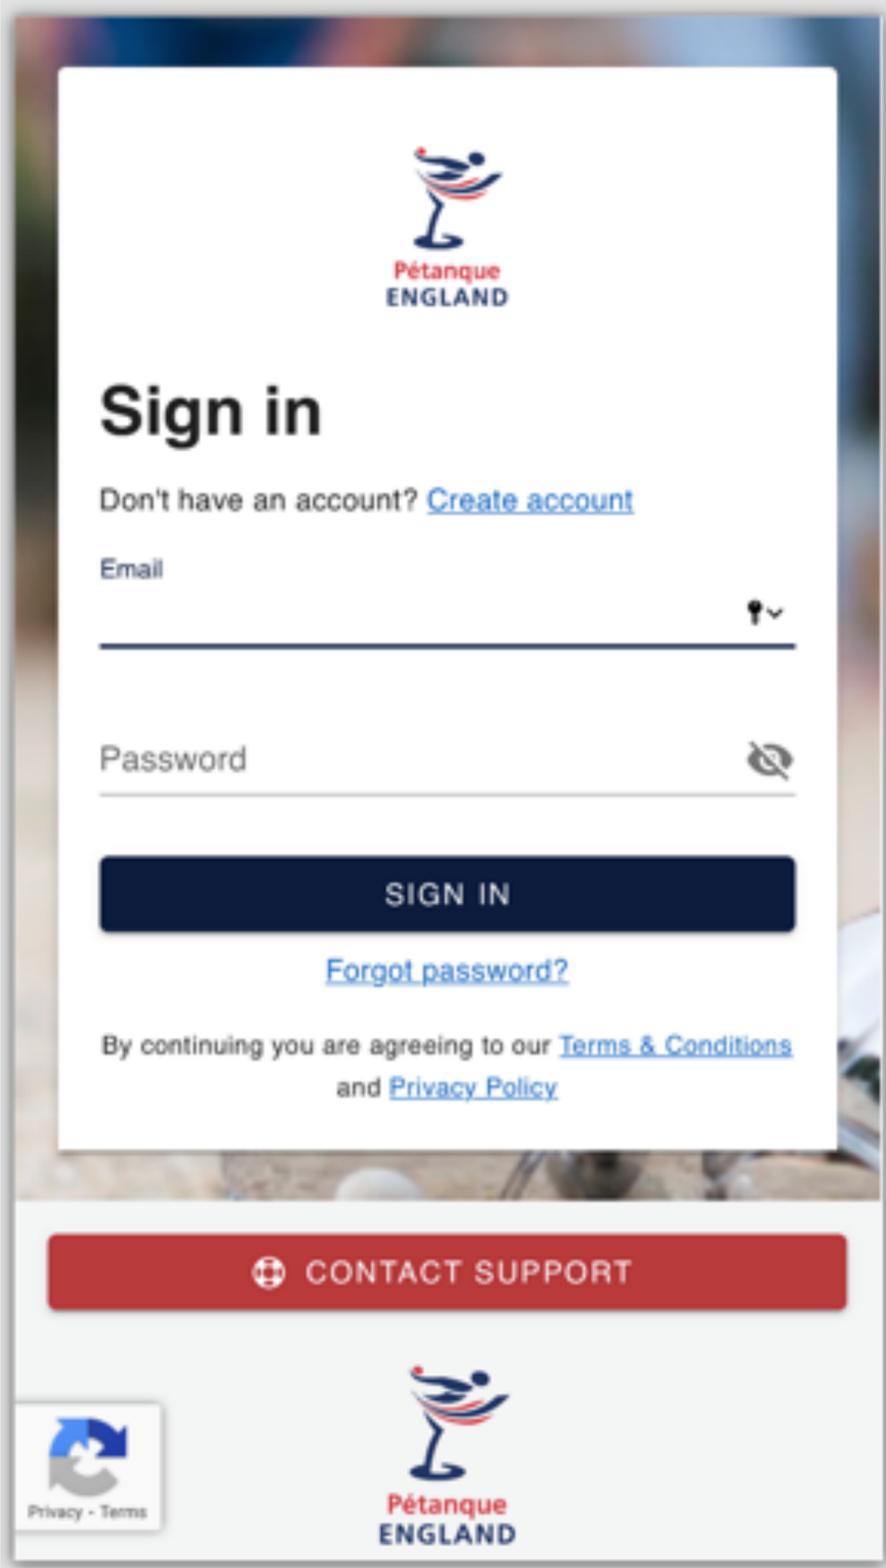

- Configure **Events Management** in new Platform
 - Includes a web widget to show Calendar of events
 - Includes the ability to enter all team members, automatic membership validation
 - Reports of teams will be available for organisers
- Configure **e-Newsletter** system “Campaign Manager”
 - GDPR-compliant system (members can opt-out any time)
 - Can send nicely-formatted HTML emails
 - We need someone to manage this - an “e-Newsletter Editor” role
