To check that the parent/guardian have signed the PARENTAL AGREEMENT FORM – to be found on the PE Website. If they have not signed the form then they should inform the organiser of the competitions and/or the Safeguarding Officer on the day of the competition confirming that they are in agreement with photos being taken and published.

To furnish parents/guardian (and the PE if required) the photos I have taken of the child/vulnerable adult if requested BEFORE putting them on social media. I will also ensure that the parents/guardians have been informed where these photos/videos/films will be stored and for how long.

To respect parent/guardian/child/vulnerable adult should they change their mind and decline photos/videos being taken. (if digital photos/videos have been taken at this point then they should be deleted)
