To further clarify this rule, it is not necessary, for example, for a polo shirt to be the same colour as a jumper: polo shirts within the team must match and jumpers (if worn) must also match but not necessarily with the polo shirts. All tops must be matching at a point in time, for example if polo shirts and sweatshirts are not the same colour and design all players must be wearing the same garment. There is further clarification available in the document “Acceptable Kit in Pictures”

9.2 Teams must wear bottoms – trousers, shorts, skirts – of the same colour. Jeans may be worn but not ripped jeans.

9.3 In the event of wet weather, waterproof tops may be worn and will not need to be matching. The organiser on the day, in conjunction with the umpire, has final say on whether the conditions are wet.

9.4 All players are to wear enclosed footwear.

9.5 Any team failing to comply with the standard of dress will not be allowed to play.

9.6 All team members must report to the organiser of the day as a team for confirmation they are in matching kit at the start of play. Teams must remain in matching kit all day.

9.6 At all PE Competitions, drinking alcohol or smoking (including electronic smoking devices) by participants is forbidden during play and actively discouraged during other times.

9.7 Mobile phones must be turned off or switched to silent during play.

## **10 AUTHORITY**

10.1 Where the competition is disrupted by teams or players being absent on the day or leaving before completing all their games, the umpire or organiser must make a report to PE Management. A jury may be called to determine any appropriate change to the competition format as a result of the absence.

10.2 During any event, the Umpire and Organiser are responsible for the interpretation of these rules.
