

Director Nomination Janice Keemer-Richards

I have played competitive Pétanque for at least 15 years. I have served on a number of committees, at club level and for the Kent region, and I have served as a Pétanque England Director for approximately 3 years, as lead safeguarding officer and now assisting in that role. I am a qualified coach, and have coached the Kent juniors. I am now embarking on the Advanced Coaching Course.

In my capacity as a director, I aim to do the best I can for our members and our sport.

Regards,

Janice
