

Profile Statement – Richard Stevens

to support my application to to be appointed to the post of Director of Pétanque England

Currently, I hold posts on three Committees in Chiltern Region. I am Membership Secretary for Chiltern Region since 2019. I am Secretary and previously Competition Secretary of Three Shires League and I am Public Relations Officer for Luton Pétanque Club.

As you aware the work of Regional Membership Secretary is somewhat less than previously with the new Sport80 system although there are still some queries to resolve.

In addition to my work as Secretary for the Three Shires League I still organise the Summer League of 23 teams arranging fixtures and ensuring the smooth running of the league during the season.

I am a competitive player but I play a lot of social and club play and I feel that I have a good relationships with the many players at this level in Chiltern Region and I am trying to encourage them to become more involved in the competitive side of the sport.

I believe that good communication with all members is vital and I have tried to make this a large part of my work in the region.
